Blessed with the rebel eyes, I see the web of

Blessed with the rebel eyes, I see the web of lies
Messin' up a mind, wrapping it up like a house fly
As an outlier, I'm out higher and so above it
Fuck your propaganda flyer you can take it back and shove it
Man I'll never love it
Seeing through you you're invisible
Journalistic integrity? You're a fucking criminal
Vulnerability man as an individual
One of the many, man yeah, we're indivisible
I'm front of everyone

Man I'll never love it
Seeing through you you're invisible
Journalistic integrity? You're a fucking criminal
Vulnerability man as an individual
One of the many, man yeah, we're indivisible
Sare aam kardi nilam

You sold your integrity and self respect
You were supposed to be the voice of the oppressed
But you chose to serve the oppresser
Singing nothing but their praises
Listen to me carefully,
Let's have a heart to heart,
Heart to heart
And connect on a human level
Why do you stuff
your mouth with money
And fart lies?
Fertilizing the propaganda you plant

Imaan abhimaan kagaz kalaam
Bejubaan ki thi zubaan
Dewaan ka deewana
Tu gaae gunn gaan
Sun sun sun
Meri baat zara dhyaan se
Heart to heart
Insaan to insaan se
Khaake kyun tu note saare
Paadein maare jhoot ke
Propagand plant karna
Teri hi kartoot thi

No escape for the traitors of the fourth estate
Like the Covid spread, they spreading the hate
I annihilate this virus, I'ma vaccinate
Answer to the cancer, cutting out the dead weight
So I sharpen up the blade like

No escape for the traitors of the fourth estate
Like the Covid spread, they spreading the hate
I annihilate this virus, I'ma vaccinate
Answer to the cancer, cutting out the dead weight
So I sharpen up the blade like

Wake wake up, wake up, wake wake up, wake up
Cut off the tongue of this venomous snake, yeah
Wake up and take the fire that's inside you
Use it to obliterate this venomous snake

Jaag jaag ja, jaago, jaag jaag ja, jaago
Iss zehrile naag ki kaatein zubaan iss zehrile
Iss zehrile naag ki kaatein zubaan, yeah
Jaag jaag le dil ki aag aur kar de bhasam zehrila ye naag

Pulling back the curtain and we're raising up the veil
Make a storm, make it hail, news anchor goin' pale
Throwing parties for the parties 'cause their asses are for sale
Now we take the power back and then we throw their ass in jail
I give no fucks and no views to your crews
If you choose to spew the venom in the service

of the few
Like the Nazi propaganda stereotyping of the Jews
Hitler thought he was the shit but in the end he's gonna loseYou brand people traitors when they question your Godfather
We understand your lies, you devil in disguise
My dear friend
You're a pimp,
How much did you sell your integrity for?
That's my real question
It's amazing to see
That you're having a ball amidst this chaos
You weave your web of lies in the name of news

No escape for the traitors of the fourth estate
Like the Covid spread, they spreading the hate
I annihilate this virus, I'ma vaccinate
Answer to the cancer, cutting out the dead weight
So I sharpen up the blade like

Wake wake up, wake up, wake wake up, wake up
Cut off the tongue of this venomous snake, yeah
Wake up and take the fire that's inside you
Use it to obliterate this venomous snake

I'm not suspicious
I know all of this is wrong
You're a predator
In sheep's skin

Web of lies

Sawaal poochhe desh ke khilaf
Tera jhoot bhoojhe aastin ka saanp
My dear friend
Aap bhadwe dalaal hai
Imaan ka kya bhaav tera
Mera ye sawaal hai
Kamaal hai bawaal
Par tu maala maal
Khabron ke naam pe banaya tune jaal

No escape for the traitors of the fourth estate

Daal mein kaala nahi
Kaali poori daal hai
Bhed ki khaal mein
Tu ghadiyaal

"This is reclaiming the fourth estate
Reclaiming journalism as an honorable profession
A nightly newscaster that informs a debate worthy of creating a global community
Civility, respect, and a return to what's important
The death of sensationalism, the death of gossip and voyeurism
The birth of a new world"

Wake wake up, wake up, wake wake up, wake up
This venomous snake is poisoning this world
This venomous snake is poisoning this world
Wake up, you wake up from your slumber
Wake up and take the fire that's inside you
Use it to obliterate this venomous snake

Thanks!
